

Teardrop flags

Description

A very popular flag with a distinctive shape suitable for indoor and outdoor use. The teardrop is very taut, minimising flapping and waving of the fabric.

Flag Style

Single sided Polysilk fabric

Double sided Blockout fabric

Polysilk prints show-thru to the other side but in reverse. Polysilk has a longer life than blockout fabric.

Wind rating

Single sided up to 50kph

Double sided up to 35kph

Carry bag

1.4m nylon carry bag.

Components

Small 2 pieces - fibreglass poles

Medium 3 pieces - fibreglass poles

Large 4 pieces - fibreglass poles

Dimensions

Small 2.2m x 700mm (2.0m flag).

Medium 3.2m x 900mm (2.8m flag).

Large 4.6m x 1300mm (3.6m flag).
